*Please answer each of these questions in not more than 200 words.*

**1. Having perused our profile what attributes do you think you would bring to help us move forward?**

**2. Choose a church-based project you have been involved in and evaluate its outcome and reflect on how you would do it again.**

**3. We have 496 members on our Congregational Roll and an average weekly worshipping community of 70 – 80. What is your vision of the future of regular worship in a rural parish like ours; how would you help traditionalists change?**

**4. What strategies do you think might break the cycle of an ageing congregation?**

**5. What are your opinions on team ministry? Can you tell us about your experience of leading teams (of any type) and developing the skills and talents of a diverse group of people? Please illustrate with an example: what was the team objective; what was your role; how did you develop people; what were the successes/weaknesses?**

**I give my permission for you to contact the above named referees and affirm that what I have written is true and accurate:**
